SSP Impact Report

2021 - 2026

Giving Hope
To Every Child

About Us

Edu-Kids Foundation is a non-profit organisation established in 2021, dedicated to providing educational and psychosocial support to Orphans and Vulnerable Children (OVCs).

Our Vision:

A society where every vulnerable child has equal opportunities to learn, thrive and achieve their full potential regardless of their background or financial circumstances.

Our Mission:

To empower Orphans and Vulnerable Children through access to quality education, psychosocial support, essential services and opportunities that promote their wellbeing and development.

State of implementation

Ondo state (3 senatorial districts)

STUDENT SUPPORT PROGRAMME (SSP)

This is a comprehensive package of support to vulnerable children, including tuition and educational support, provision of school materials, sanitary and menstrual hygiene support, food and nutritional support, counselling and psychosocial support, mentoring, and continuous monitoring and follow-up. Over 1,000 persons have benefited from the program from 2021 to 2026.

Our beneficiaries are grouped into 3 categories

Category A

Beneficiaries are supported with tuition fees, school-related support, provision of essential educational and school supplies, and food and nutritional support.

Category B

Beneficiaries are supported with payment of National Examinations Council (NECO) examination fees.

Category C

This category is for female beneficiaries, where sanitary pads and menstrual hygiene support are provided to beneficiaries for one year.

Reflecting on our progress

our **ssp** journey from 2021 - 2026

SSP 2021

23    

A total of 23 beneficiaries benefited from the programme in 2021 comprising 13 in category A (school related support) and 10 in category B (NECO payment)

SSP 2022

21    

A total of 21 beneficiaries benefited from the programme in 2022 comprising 13 in category A (school related support) and 8 in category B (NECO payment)

SSP 2023

25    

A total of 25 beneficiaries benefited from the programme in 2023 comprising 16 in category A (school related support) and 9 in category B (NECO payment)

SSP 2024

36    

A total of 36 beneficiaries benefited from the programme in 2024 comprising 20 in category A (school related support) and 16 in category B (NECO payment)

SSP 2025

41    

A total of 41 beneficiaries benefited from the programme in 2025 comprising 25 in category A (school related support) and 16 in category B (NECO payment)

SSP 2026

45    

A total of 45 beneficiaries benefited from the programme in 2026 comprising 29 in category A (school related support) and 16 in category B (NECO payment)

Our Interventions From 2021 - 2026

Category A

Since 2021, 116 beneficiaries have benefited from the programme, comprising 49 males and 67 females. The benefits include tuition fees, school-related support, and the provision of essential educational and school supplies.

Abdulkareem, a student of Adeyemi Federal University of Education, has benefited from the programme from 2024 to 2026, receiving #265,000 in tuition fee assistance, which has helped him remain enrolled throughout the period.

Category B

Since 2021, 75 beneficiaries, comprising 34 males and 41 females, have benefited from the payment of National Examinations Council (NECO) examination fees.

Food And Nutrition

The feeding scheme was introduced in 2024. All beneficiaries in Category A from 2024 to 2026 benefited from the scheme, totalling 85 students (40 males and 45 females).

They were provided with meals to help meet their nutritional needs and support their participation in school.

Through this intervention, students received essential nutritional assistance, contributing to their well-being, concentration, and ability to engage in learning.

Category C (Sanitary Support)

From 2022 to 2026, female beneficiaries in both categories have benefited from sanitary pad support. The initiative has provided menstrual hygiene supplies to 96 girls for one year. The outreach aimed to help girls manage their menstrual health with greater dignity and confidence, while reducing challenges that may affect their participation in school.
